Brussels for Embassy and USEC.

House Ways and Means Committee has issued public announcement inviting suggestions for revision new Tariff Schedules (TSUS) for purpose correcting errors resulting from oversight, inadvertence or lack of information. Deadline for submission is February 3. Full text announcement follows by airgram.

Department sending copies announcement to Washington missions of countries having initial negotiating rights on products in Schedule XX, except EEC member states. For latter, request USEC/transmit text announcement to EEC Commission when received. Other addressee posts should take no RPT no initiative this matter and should, if queried, discourage presentation revision proposals except those clearly meeting strict criteria established by Committee.
